The On Your Marks programme has been designed to support local sports clubs with a variety of issues they regularly face. We can assist you with:

Advice and support

- **Active Wiltshire:** free opportunity to have your club listed on the council's web-based directory.
www.activewiltshire.org.uk
- **Coach education and workforce:** access to countywide coach education programme.
- **Club Matters:** delivered by Sport England, Club Matters provides free guidance, support and learning for all aspects of running a club.
www.sportenglandclubmatters.com
- **Clubmark:** Increasing standards in community sport through the universal cross sport accreditation scheme.
- **Workplace Forum:** An opportunity to shape the development of club, coach and volunteering in our county.
- **E-newsletters:** Get sports funding and club development updates straight to your inbox.

Increasing participation

- **Satellite Clubs:** supporting pathways between schools and clubs.
- **Sport for All:** funding for new participation projects that engage with priority groups.

Funding

- **Coach bursary scheme:** opportunities to access funding to support sport deliverers and coaches obtaining qualifications.
- **Funding information and advice:** support and guidance on funding for both large and small projects.
- **Support with grant applications:** guidance to make sure your application ticks the right boxes.
- **Access to community area funding:** information about Wiltshire Council's community grants initiative.
- **Podium Partners Crowdfunding:** opportunity for local community sports organisations and athletes to promote their campaign.

Individual Athlete Support

- **Funding Future Olympians and Paralympians – Elite Athlete Grant and Sports Scholarship Grant:** Funding and support for talented athletes.
- **FACTS:** Free access to sports centres for talented sports people.

For more information, or to get in touch about any of the projects above then please contact Wiltshire Council or Wiltshire and Swindon Sport:

Wiltshire Council Sports Development Officer
