

High Five Netball Festivals 24 November 2016

The Level 2 School Games Year 5/6 High Five Netball festival took place at Marlborough College for the St Johns cluster schools. There were two competitions, the A competition where the winner would go on to the Level 3 final, teams had to be of 9 players with a maximum of 3 boys. The B competition could be made up of any number of players and any ratio of boys and girls.

In total, we had 220 pupils playing netball. The A competition started off in 3 pools, the top 2 teams from each pool went through to the winners pool and the bottom 2 from each pool went through to the plate. In the B competition, there were 2 pools followed by play offs for the positions, along with semi-finals and the final. Many of these matches finished as a draw.

It was very cold and windy but this didn't affect the pupils' performances over the four hours that the competition ran. Students from Avon Valley College who themselves play Netball took charge umpiring, scoring, timing and running the results table. They did a very professional job and solved any problems that got put in front of them. They were year 13: Tia; Year 10: Tia, Stacey and Jade; Year 9: Georgia, Jess, Sophie, Amy, Megan, Mirren, Sky, Jazz.
