

## Girls Football Festival 9 November 2016

This year's Level 2 School Games Girls Football festival took place on grass at Avon Valley College. On a windy day, 9 schools competed for the golden ticket to get them to the Level 3 final. The competition was a round-robin with the team winning the most points being crowned the champions. The games were very close and as the games progressed the standard of play increased.

As a girls-only festival we only had female students from AVC taking on the role of official. Year 10's Jorgia and Shannon refereed every game while the year 9's Jazz, Megan, Skye, Jess, Sophie, Erin and Elizabeth ran the line, kept score and time kept, they were great role models.
