

Avon Valley School Games Level 2 Gymnastics festival

The Avon Valley School Sports Partnership Gymnastics festival took place at Amesbury Sport Centre on the 11th February. The competition was split into two, the hard sequence and the easy sequence.

Each pupil had to perform the sequence in front of the judges, marks were deducted for poor body tension, not holding a balance or forgetting a move.

At the same time as pupils were competing the others all had a go at trying some other Gymnastic activities. The six stations were group balances, trumpet, vaulting, beam, rhythmic gymnastics—hoop, ball and ribbons and the inflatable tumble track.

Students from Avon Valley College—Sophie, Katy, Georgia and Sky helped with the stations and used ipads to film what the pupils had achieved so they could see how to improve.

A massive thank you to Maria and Carly from Crazy cartwheels who judged and supervised the Vault and for allowing use to use their equipment.
