

Avon Valley School Games Level 2 Swimming Gala

Avon Valley School Sports Partnership held their second Level 2 School Games Swimming gala of the year at Marlborough Leisure Centre on the 4th February.

It was great to see 7 Schools competing in 23 events including individual races in Backstroke, breaststroke, butterfly and freestyle and relays.

A massive thank you goes to Marlborough penguins who provided all the officials for the event as without them the Gala would not be possible.

The gala went really smoothly with a great fun atmosphere and there was some great times.
