

Avon Valley School Games Level 2 Tri Golf Festival

A lovely sunny day saw the Level 2 School Games Tri Golf festival hosted by High Post Golf Club. Four schools took part competing to gain the golden ticket through to the Level 3 final. The competition consisted of 8 different stations that were demonstrated by Pro Golfer from High Post, Chris Peddar.

Teams consisted of 10 pupils and they had to use the skill of putting and chipping to gain points that were recorded on their score card. Students from Avon Valley College - Skyla, Kirsty, Adam, Curtis, Dillion, Jamie, Jake, Lauren, Tia and Stacey - encouraged the pupils, kept score and kept the festival on schedule. There was a time limit for each station, so pupils had to be quick retrieving their ball to gain as many goes as they could.
