School Games Handball Level 3 County Competition

The venue for the School Games Level 3 Handball Competition was the Chippenham Sports Clubs Multi Sports Air-Dome a perfect location for the Boys and Girls competitions.

Teams of 12 pupils came from Sheldon, Royal Wootton Bassett and St Augustines schools.

The standard of play was extremely good and Matt Durbar from England Handball who helped Wiltshire and Swindon Sports staff organise the event on the day was really impressed with the professionalism and sportsmanship of all the teams.

Staff from WASP refereed the competition along with Matt and young volunteers from New College Swindon who managed the score board and recorded all the results. They were a really big help and without them the competition would not have been such a success running very smoothly. Everyone enjoyed the day.
